

Entrance criteria and statement for the Scaffolding Inspector examination

To fulfil the responsibilities of a Scaffolding Inspector correctly and in accordance with the Scaffolding Directive fulfil, a Scaffolding Inspector must have practical knowledge and experience to inspect complex scaffolding successfully and safely. In addition to this practical experience, a sound theoretical knowledge of the scaffolding construction profession, including the associated risks, safety regulations and standards.

The following entrance criteria apply for admission to the Scaffold Inspector examination:

1. The examination candidate has a valid personal 1st Mechanic's certificate and 1.5 years of Work experience as a 1st Mechanic:
 - a) This applies to the 1st Mechanic who advances to the job level of Scaffolding Inspector.
 - b) The 1st Mechanic who has held a 1st Mechanic's personal certificate for at least 5 years does not have to sign this statement.
2. For examination candidates who do not hold a personal 1st Mechanic's certificate, the following entrance criteria apply. This concerns the candidate who, on behalf of the client or a third expert party as a Scaffolding Inspector:
 - (a) He provides a curriculum vitae (CV) showing that he has at least 5 years of experience in the Scaffolding construction.
 - (b) He declares by signing, together with a statement signed by the employer, that he has performed practical work in the Scaffolding construction, preferably as a supervisor (this may therefore be several declarations if the candidate has had several employers in the past five years).
 - c) If he has his own company or is self-employed, then a statement from client(s) or an accountant's statement as evidence should be offered.
3. It is not possible to be exempted from the declarations mentioned in point 2.
4. DNV will check prior to the certification decision whether all statements are present and check per examination candidate whether the work experience is sufficiently demonstrated. If during the testing by DNV shows that the stated work experience is not adequately demonstrated, DNV will not issue the certificate.
